Meet Lucia: Thirty years ago, Lucía Arjona Gruber's mother had the opportunity to attend JBU, an experience that transformed her life. Today, Lucía is following in her mother's footsteps, attending JBU to pursue her own dream of teaching — a dream made possible through scholarships and the support of the JBU community.

Because of the generosity of donors, Lucía has received more than financial assistance — she has found a Christ-centered environment that is shaping her faith, character, and future. **Your gift today can open the same door for the next student, creating a lasting impact on their life and the lives of their family for generations to come.**
