2 YEARS

OUR WARMEST THANKS FOR YOUR GIFT FOR AZUSA PACIFIC UNIVERSITY STUDENTS

With your gift, you grew your investment in Azusa Pacific students by giving two years in a row—**THANK YOU!**

Your continued generosity has an enormous impact and is vital to sustaining APU's strong upward trajectory.

Year after year, you help turn students into graduates, ideas into action, and service into Kingdom impact. You've been with us every step of the way for the past two years, and we appreciate your partnership more than you know.

Again, many thanks for being a loyal donor!
