I want to personally thank all of you who donated to our school in the last year, as it is people like you that help us to continue the good work of Bishop McGuinness Catholic High School. This year is off to a good start. Our students are well into their academic year and fall sports are off to a great start. Homecoming was a great time and the homecoming dance was the largest attended dance in years, so **school spirit is alive and well**! A highlight of our school year happened on September 7th. Our school patron, Pier Giorgio Frassatti, was canonized by Pope Leo XIV at the Vatican. We had a special Mass and other fun festivities that week to celebrate this wonderful occasion with our students.

We are so blessed at Bishop McGuinness to have a very dedicated faculty and staff and many have long tenure here which reflects their dedication to the school. One of the things that can help us keep top notch faculty paid fair and just wages, while at the same time keeping the school affordable for our parents, is an increased endowment. An operational endowment, like most all other private schools have, will provide income for salaries, scholarships, and maintenance of facilities. In speaking with other Catholic schools our size in surrounding cities and states, we know that our endowment has some catching up to do. Most schools our size have endowments ranging from 20 million as high as 50 million. Our endowments currently are around 3.5 to 4 million depending on the market and interest rates. Let's say that we had a 30 million dollar endowment and it earned a minimum of 4% ROI, that would contribute 1.2 million dollars a year towards salaries, scholarships and wherever it was needed the most at that time. A portion of what you generously give to the Forever McGuinness Support Campaign this year will go toward building up this very important cause to help ensure that our school can keep going toward the top. This year, a percentage of this campaign will also support general school operations, as we receive no state or federal direct funding, we are all tuition and donation based.

You may notice in this year's Toward the Top Magazine (coming to your door this November) that the way we report alumni participation has changed. We have always listed our donors by class but this year we are including the percentage of the class who have participated. Last year from 1990 to 2024, only 46 alumni out of around 4,500 gave to our appeal which amounts to about 1%. We are excited to announce that we have hired an alumni engagement representative, Mr. Brian Smith '05, to help engage and reconnect with our alumni. **It is through our alumni network, parents, grandparents and other supporters that McGuinness has become the great school that it is today and Bishop McGuinness has a very bright future.** Investing in The Forever McGuinness Support Campaign will help continue to provide a top notch Catholic College Preparatory education for generations to come.

May God bless you all,

Monsignor Rick Stansberry
