Kent School
Gather & Give

Together, We Are Kent.

October 14 – 16, 2025

Gather & Give is Kent's annual Day of Giving – a time when our community comes together to celebrate what makes Kent special and invest in its future.

Your support creates opportunities, enriches learning, enhances the campus, and directly empowers the students, faculty, and experiences that shape the Kent journey.

Last year, this community raised more than $1 million in just two days. This year, we're aiming for **$1 million and 1,000 donors**, because when we come together, we make Kent stronger.
