It Starts With Us.

THE CAMPAIGN FOR
MICHIGAN TECH

<Full Name>
<Department>

Dear <Preferred Salutation>,

Every day, Michigan Tech faculty and staff advance this University to meet its mission. You open doors for students, fuel discoveries, and strengthen our reputation as a world-class institution. **Thank you.**

Looking ahead, Michigan Tech has set ambitious goals: growing enrollment of exceptional students, investing in new and existing facilities, and building an endowment that secures our future. To fuel this progress, we've embarked on **The Campaign for Michigan Tech**—the largest fundraising effort in our history. This campaign will provide the resources needed to achieve these goals and strengthen the University for generations to come.

We're sharing this with you today, before the campaign is shared more broadly with alumni, families, and friends, because faculty and staff participation sends a clear message: that we are united in our commitment to building a future where students, research, and innovation thrive.

Will you join your colleagues in making a campaign gift today, in addition to your ongoing annual support, and help inspire others to invest in the future of Michigan Tech?

Thank you for believing in our students, in the work happening across campus, and in the future we can build together.

Bill Roberts
Vice President for Advancement and Alumni Engagement

P.S. Faculty and staff who contribute $150 or more this fiscal year will receive a token of our appreciation for supporting the campaign.

Our students help shape the future every day. Help shape their future with a gift to The Campaign for Michigan Tech.

Give today at give.mtu.edu.

THE CAMPAIGN FOR
MICHIGAN TECH

Pride. Purpose. Participation.

The Campaign for Michigan Tech is about fueling the future of an institution we believe in—a place where Huskies take pride in who we are, where purpose drives our work, and where participation moves us forward.

Michigan Tech's future is something worth investment. What matters most is that we all take part. Let's show students, alumni, and friends that we believe in Michigan Tech.

Areas for Philanthropic Investment

Scholarships, Fellowships, and Student Experiences
Access, exploration, and growth are the experiences that shape a Michigan Tech education and the lives of those who pursue it.

Research and Faculty Excellence
Support that advances and empowers faculty and students to explore, discover, and lead in their fields.

Campus Enhancements
Investing in the spaces where Huskies instruct, work, and grow strengthens the environment we all share.
