

WELCOME TO THE RPI FAMILY!

As your student begins their journey at RPI, we're excited to welcome you into our vibrant parent and family community.

We're **Beth Criswell P'28 and Mark Kaduboski P'28, and Allison and Chris Bovard P'28** – co-chairs of the RPI Parents Council. In partnership with the Division of Student Experience and the Division of Institute Advancement, we're here to help you stay connected through events, volunteer opportunities, and RPI's global network of alumni and families.

At RPI, we believe in a culture of family engagement and philanthropy—where parents play a vital role in their student's journey. By sharing our time, talent, and financial support, we help RPI deliver the experience every student deserves—and show our own children that we're committed to this new, important place in their lives. We hope you will join us October 24-26 for **Family Weekend!**

We invite you to take a moment to complete our **Incoming Family Survey** by scanning the QR code below. It's a quick way to let us know more about your interests and whether you'd like to be more involved as a parent. We look forward to getting to know you and supporting your student's success—welcome again to RPI!
