C.S. MOTT
CHILDREN'S HOSPITAL
UNIVERSITY OF MICHIGAN HEALTH

Across the nation, families come to

University of Michigan Health C.S. Mott Children's Hospital

for specialized treatment for a wide array of health needs. Our physicians and researchers are renowned for their ability to provide compassionate care and novel solutions to complex questions. We are humbled to have the generous support of partners like you as we continue to treat patients and give hope to countless children, and their families.

Innovative Research

The breakthroughs emerging from laboratories at Mott are fueled by innovative minds and philanthropic support. Top-of-the-line technology and collaborative teamwork enable investigators, who have joined us from across the nation and around the world, to come together to make incredible strides in pediatric research.

World-Class Care

Providing quality, compassionate care is a pillar of our values, and our philanthropic partners ensure we can dedicate ourselves to giving our patients our best. From music and art therapy for children to improved methods of treatment and care, your generosity helps us offer resources to meet each of our patient's unique needs. Together, we will continue to accomplish great things.

With Gratitude

We are fortunate that breakthroughs and new approaches are a regular occurrence at C.S. Mott Children's Hospital, and we have our philanthropic partners to thank for that. We are so grateful for your support. Together, we are securing a future with improved quality of life for Little Victors and their families.

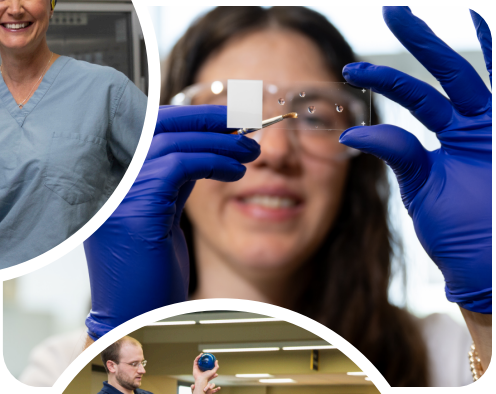

MICHIGAN MEDICINE
UNIVERSITY OF MICHIGAN

Our mission

to provide the highest quality health care in a healing, compassionate environment is at the very heart of what we do at Michigan Medicine. With your partnership, we will continue to serve the needs of our patients, their families, and the community by providing outstanding patient care, advancing novel research, and educating the leaders and best in medicine.

Innovative Research

The breakthroughs emerging from laboratories across Michigan Medicine are fueled by innovative minds and philanthropic support from donors like you. Top-of-the-line technology, collaborative lectures, and investigators who have joined us from across the nation and around the world come together to make incredible strides in medicine. Your partnership has made this and so much more possible.

Comprehensive Care

Patient care is a pillar of our values, and your compassionate gift enables us to dedicate ourselves to maintaining it at its highest level. Your partnership helps us to train staff and provide resources for our patients and their families. With you by our side, we are able to accomplish great things, including earlier diagnoses and personalized care for the thousands of patients who entrust us with their health every day.

World-Class Education

The future of medicine is written by our next generation of medical leaders. Our students, residents, fellows, and other scholars are eager to share their talents with the world. They are ready to facilitate change and improve lives through their research, outreach programs, and the incredible work they are doing each day. The support of donors like you is critical to our learners who will dedicate themselves to the wellness of those in Michigan and around the world.

With Gratitude

We are fortunate that breakthroughs and new approaches are a regular occurrence at Michigan Medicine, and we have our philanthropic partners to thank for that. We are so grateful for your support. Together, we are securing a healthier future for all.
