

SCRUBS & SCOPES

UND UNIVERSITY OF NORTH DAKOTA
COLLEGE OF NURSING & PROFESSIONAL DISCIPLINES

OUTFIT THE FUTURE OF NURSING

Every nurse remembers their first day in scrubs. The first time they placed a stethoscope around their neck. The moment they turned a dream into a calling.

Each semester, the University of North Dakota College of Nursing & Professional Disciplines welcomes the next generation of nurses. These students are ready to care, lead, and make a difference. But before they step into the classroom, they need the essentials: **a pair of scrubs and a stethoscope.**

Scrubs & Scopes is your opportunity to support incoming nursing students by gifting them with the essentials.

Your gift provides:

- $210 – Scrubs and a stethoscope to fully equip a student
- $120 – A quality stethoscope they'll use throughout their career
- $90 – A pair of professional scrubs for their clinical training

If scrubs and a scope aren't possible right now, please know that **every gift, of any size, makes a difference.**

Your support outfits a student for nursing school, and it encourages them, lifts their confidence, and tells them: *I believe in your future.*

Put scrubs and scopes in the hands of tomorrow's healthcare leaders.

Make your gift using the enclosed envelope or give online at **pd.UNDalumni.org/give-scrubs-scopes**
