

Happy Anniversary!

<<Preferred Name>>,

Marywood students are leaders, innovators, and changemakers—and your support helps make that possible! Thanks to your generosity, our students pursue their passions, develop confidence, and grow into purpose-driven individuals who shape a better world. Your annual gift truly empowers them to reach their fullest potential.

We invite you to help us to build a **bigger**, **bolder**, and **better** Marywood. By renewing your support, you strengthen our mission and make an immediate difference in the lives of our students.

You can direct your gift to scholarships, campus improvements, or any area of the University that holds a special meaning for you. Every gift, every year, makes an impact.

Please renew your commitment today at ***marywood.edu/anniversary***, scan the QR code on the back of this card, or use the enclosed reply card and envelope.

Thank you for being part of Marywood's vibrant future!
