Mahalo!

In Hawai'i, the shaka is widely used for lots of different reasons. Appreciating another driver for waving you in. Showing happiness, or that you're having a great time in a photo. Greeting a friendly neighbor, or a surfing buddy you haven't seen in the lineup for a while. Thanking someone who stops to let you and your dog cross the street.

This one small gesture makes a huge impact. It communicates good intentions and inspires kindness throughout our islands. It's a simple way we share our aloha and thank friends and strangers alike.

So we wanted to send you this cheerful shaka to thank you for your generosity and humbly ask you to help support our **UH Mānoa Student Aid Fund**.

Many students struggle with basic needs like housing, food and healthcare, which can significantly impact their academic success and mental well-being. By providing relief funding, you directly alleviate these burdens, allowing students to focus on their studies and preventing them from dropping out due to financial strain.

We hope every time you set your cup on this coaster, you'll feel our warm appreciation for the impact your giving makes. To increase that impact and support students in need, please use the enclosed envelope or visit
