Email — thank you

Denisonians everywhere came together to support students, strengthen programs, and invest in the future of "the home we love so well."

We're still finalizing the numbers, and gifts are still coming in, but here's what we've accomplished together so far:

- Nearly **1,100 donors** showed their support
- Over **$525,000** raised for the Annual Fund and areas across campus
- Countless moments of impact for students — now and in the years ahead

---

Every gift counts toward the *What We Can Be* campaign — opening doors for students, fueling meaningful learning experiences, and strengthening the connections that define Denison.

Whether you made a gift, shared a message, or encouraged others to participate, you helped make this day meaningful. Denison is stronger because of you — and so are our students.

Thank you for being part of it.

Still thinking about making a gift? If you didn't have a chance to give yesterday, **there's still time to be part of this effort.** We'll continue counting Day of Giving gifts through 11:59 p.m. on April 26, and every contribution still makes an impact.

MAKE YOUR GIFT TODAY!

P.S. If you've already made your gift — thank you. If not, there's still time to give before April 26.

About

Scholarship support at Denison is about more than covering tuition — it's a game-changer that allows students to pursue their dreams without being burdened by debt. By ensuring that the students we admit can actually afford to attend Denison, we open possibilities for families of all financial backgrounds, including middle-income students.

When you give to scholarships, you're helping to ensure that **Denison meets the full demonstrated financial need of all students** — a rare commitment among U.S. colleges. And you're giving students the chance to make decisions based on their curiosities and passions, not on their financial limitations. Denison students can conduct research, build careers, engage in off-campus study, handle unexpected costs with confidence, and launch into their lives without taking crippling debt with them.

Make a gift to one of the areas below and **change lives through scholarships and financial aid** at Denison.
