Dear [AG Salutation]:

Fall is in full swing at Oregon State, with your student diving into classes, clubs, game days and new experiences. Families like yours are true partners in shaping student success — research shows that your student is more likely to stay enrolled and graduate because you're engaged with their experience! **To help you share your pride in being part of the Beaver family, we've included a set of postcards featuring the beautiful scenery of OSU.**

Thank you for helping your student thrive. Want to make an even wider impact? Visit **bit.ly/OSUFamilyGiving** to give to students' practical needs, like scholarships, mental health programs, food and housing assistance or emergency funds — and explore other ways to stay connected, including the OSU Family Portal or volunteering. We look forward to seeing you throughout the year and have included a few key OSU experiences you won't want to miss out on. GO BEAVS!
