

Dear [Donor],

When I first came to Bishop Lynch from a public middle school, it was challenging. I dealt with high anxiety and stress, which led to me struggling both academically and socially.

But almost immediately, I found a community of teachers and classmates who supported, taught, and challenged me. With the resources we are fortunate to have at Bishop Lynch, I learned self-discipline and how to balance my life between academics, extracurricular activities, and service. The expectations, pressures, and opportunities that come with a Bishop Lynch experience have allowed me to fully bloom as a student and an individual.

Because of you, and the opportunities you helped create, Bishop Lynch will always have a special place in my heart. Next year is my senior year, and I'm so excited to continue growing in this community and preparing myself for an exciting future after graduation.

Last year, you made a choice to invest in students like me, and I'm so grateful. Today, I hope you will renew your gift to the Fund for Bishop Lynch to continue creating opportunities for every student who calls our campus home.

Thank you for being part of my Bishop Lynch story.

With gratitude,

Natalia De La Sota, Class of 2027

P.S. When you give, you're not just supporting a school. You are helping students like me believe, belong, and become who God is calling them to be.

"Because of you, and the opportunities you helped create, Bishop Lynch will always have a special place in my heart."

Last year, you gave {xxx} to The Fund for Bishop Lynch.
Would you prayerfully consider renewing your gift today?
